Customers looking for a low cost, high quality disposable nitrile glove historically have had few options. Now Best® Manufacturing steps up with the introduction of our value line of disposable nitrile gloves, Best® Nitrile. This four-mil, 9.5-inch powder free glove is a perfect solution for customers who require the barrier protection found in disposable nitrile, but who operate on a disposable latex budget. Ideal for industrial applications such as automotive, janitorial/maintenance among others, Best Nitrile comes in a lightly, pebbled texture for improved grip and handling.
