Active Ingredients: Sodium Lauryl Sulfate 8.00%

Other Ingredients: 92.00% (Castor Oil, Yellow grease)

Liquid Fence® Inc., Nesquehoning, PA 18240

Net Contents: 1 Qt. (.946 ml)

KEEP OUT OF REACH OF CHILDREN

CAUTION: See back panel for
precautionary statements.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40° - 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

CONTAINER DISPOSAL: Do not reuse empty container. All containers should be triple rinsed, then offered for recycling or reconditioning, or punctured and disposed of in a sanitary land fill, or incinerated or if allowed by state and local authorities burned. If burned, stay out of smoke.

LIQUID FENCE® Mole & Vole Repellent

Shake Well

Liquid Fence® Co., Inc. is proud to present another quality animal repellent. **Liquid Fence® Mole & Vole Repellent** was designed to repel moles, voles and gophers from lawns, landscaped garden areas, flowers, shrubs and plants. All **Liquid Fence®** products are thoroughly researched and tested to ensure product performance and to have minimal impact to the environment. **Liquid Fence® Mole & Vole Repellent** will dramatically reduce the habitation of moles, voles and gophers and the unsightly conditions they create. The reduction of these destructive animals will help maintain the beauty of your landscaping and maintain property value.

SATISFACTION GUARANTEE
If, for any reason, you are not 100% satisfied, Liquid Fence® Co. will refund the suggested retail price or replace this product. Liquid Fence® Co. will not be liable for any damage, direct or incidental. Refund or replacement of product is our only obligation.

DIRECTIONS FOR USE:
For best results, **shake well.** Make sure the control knob is in the off position. Attach water hose to nozzle (do not over tighten). Turn water on at faucet, aim nozzle toward area you wish to protect. Remove safety tab from nozzle by pressing towards control knob, snapping it off. Turn the control knob, to the **ON** position to begin spraying. If you desire to spray water only, turn the control knob to the **WATER** position to bypass the product. When finished, turn the control knob to the **OFF** position. Turn faucet to **OFF** position. Discharge residual water pressure by turning control knob to the **WATER** position and then **OFF** again.

**COVERS APPROXIMATELY
10,000 SQ. FT.**

Cautionary Information: This product may be harmful if swallowed. Avoid contact with eyes. If contact occurs, immediately flush with plenty of water. Seek medical attention if either occurs.
