Custom made

- * Every wiper is custom made to the width you need.
- * Alley Cat wipers are rugged and will not wear out.
- * Alley cat wipers were developed and put to the test by growers.

Saves money

- * Economical compared to hooded spray applicators.
- * Saves money by using glyphosate instead of contact herbicide.
- * Cuts down on tank mix time.

Eliminates wind drift

DRIFT CONTROL

- * Puts the chemical only where you need to.
- * Allows herbicide applications even in tough winds.
- * Allows you to apply herbicide next to valuable crops.
