

# Oral Ivy™

**Prevents Symptoms of  
Poison Ivy, Oak & Sumac**

**NATURAL  
HOMEOPATHIC**

**Indications:** For the prevention\* of contact dermatitis associated with poison ivy, poison oak, poison sumac. Temporarily relieves itching, red burning skin rashes, blisters with oozing or crusting, and skin irritation or swelling.

**Directions For Prevention:**

3 to 5 drops in 2 ounces of water once daily by mouth 7-14 days before exposure and continuing throughout the poison ivy season.

**For Treatment of Symptoms:** 10 drops in 2 ounces of water every 2 hours as needed. As symptoms improve, decrease to once every 4 hours, then twice daily until symptoms disappear. Hold in mouth for approximately 10 seconds before swallowing.
